

CALL FOR ARTISTS!

ATTENTION PUBLIC ARTISTS

Colerain Township is seeking artist applications for its 2023 Public Street Art installation.

In collaboration with local artists, Colerain Township officials are creating an opportunity to showcase mosaic art, or similar media, which will be installed in the neighborhood's streets as an “adopt a pothole” program. This program will generate an opportunity for the community to participate in a fun, yet practical, form of community engagement. In addition to the opportunity for artists to display public art, it will also create discussion throughout the community as well as transform an ugly pothole into something people can be proud of.

APPLICATIONS ARE OPEN:

May 15 - July 9, 2023

Installation will be on Saturday, July 22, 2023 between 8am - 4pm

PUBLIC STREET ART – POTHOLE PROGRAM APPLICATION

In collaboration with local artists, Colerain Township officials are creating an opportunity to showcase mosaic art, or similar media, which will be installed in the neighborhood's streets as an "adopt a pothole" program. This program will generate an opportunity for the community to participate in a fun, yet practical, form of community engagement. In addition to the opportunity for artists to display public art, it will also create discussion throughout the community as well as transform an ugly pothole into something people can be proud of. For inspiration, please Google search "Pothole Art Chicago".

If you are interested in participating in this program, please fill out the following application and submit it to Tiphonie Mays by Sunday, July 9, 2023 for consideration. Please note that due to the limited lifespan of this type of public art, the streets that this program will showcase are scheduled for repaving on the 2026 road program. The cost to participate in this program is free, however, artists are expected to provide the mosaic, tools for installation (rags, brushes, etc.) and the design for art piece. Colerain Township will provide the concrete to fill the pothole and staff to manage traffic.

For questions about this program, please contact Tiphonie Mays at tmays@colerain.org or 513-923-5000.
